## SPRING LEADERSHIP SEMINAR

This year's Spring Leadership Seminar included a community outreach event for our students. This unique experience allowed us to collaborate with three local community organizations in Mostar, Banja Luka, and Sarajevo.

In addition to our community work, the seminar featured informative sessions with expert speakers covering topics such as CV writing, interview tips, mock interview practice, and what you see on social media is not always true. These seminars equip students with the skills they need to become the next generation of leaders by enhancing their employability after graduation.

## BLUE NIGHT

HOSTED BY: SYMPHONY AND KLIX

Symphony, our first Ambassadors in Bosnia and Herzegovina partnering with Klax, hosted the second "Blue Night" awareness event, in Sarajevo at the beautiful Greenpark Space. They introduced and helped to spread the word about Jericho's mission and goals to many well-respected, influential people and businesses in BiH. We are beyond thankful to Symphony and Klax for helping us expand our reach and mission within Bosnia and Herzegovina.

## CITY HALL EVENT

On May 14th, a special night was held at City Hall in Sarajevo for the Jericho Foundation and its founder, Joanna Shields, who received a Thank You Award from the City of Sarajevo. She received this award due to her decades of support for the marginalized youth across

Bosnia and Herzegovina, who unfortunately cannot provide pay for higher education. This evening's goal was for the gathered dignitaries, and various businesses to celebrate 24 years of Joanna Shields' success and the Foundation's work.
